

# JOINING THE FLEXIBLE SPACE ASSOCIATION

THE FLEXIBLE SPACE ASSOCIATION IS THE VOICE OF THE FLEXIBLE WORKSPACE INDUSTRY.

As the Trade Association for this sector, our members comprise the operators of serviced and managed offices, coworking space, business centres, workshop units and virtual office providers. Companies providing services to the flexible workspace industry also form part of our membership.

The Flexible Space Association represents, informs and champions the sector.

Joining the Flexible Space Association ensures you can play a full part in the wider industry, joining with your peers to ensure the sector has a collective voice on major issues of the day. Other benefits of membership include:

- Updates on news, legislation and regulations which impact on the industry.
- License Agreements templates.
- A suite of 'Know Your Customer' documents to assist you with potential client checking, and ensuring compliance with Money Laundering Regulations.
- Inclusion in the searchable database on our website. Any leads are commission-free.
- Being recognised as upholding the highest standards in the flexible workspace industry by signing our Code of Conduct and Best Practice.
- Preferential rates to our Annual Conference in May and Gala Dinner in November for all staff.

○ Regional meetings to introduce you to your peers in the sector, and provide a forum for discussion of issues of mutual interest and the sharing of best practice.

○ Connections to our Partner members, who can provide you with industry specific knowledge and services, including technology, legal, furniture and personnel.

Membership will also give you other opportunities for support and guidance, and an opportunity to make connections with fellow members, as well as being a part of the industry's representative body.
